

Regular Winners / ETC[®] 2021

!!! please note that the rank orders written in red are in reverse order !!!

You agree, that I do not explain the rules and regulations – especially the system of the system about Category-winners here in detail. Although I know, that some of you might have some questions about. You can trust me, that I really carefully checked every concerned detail. If you have questions please don't hesitate to come to me with them.

We are very happy, that Daniel Salzer prepared us a helpful collection of photos for this evening – That means, that every piece, which is presented here – you also can see on our two screens.
